- **Hostile environment harassment.** Unwelcome sex-based conduct that, based on a totality of the circumstances, is subjectively and objectively offensive and is severe or pervasive that it limits or denies a person's ability to participate in or benefit from, the District's education program or activity (i.e., creates a hostile work environment). Whether a hostile environment has been created is a fact-specific inquiry that includes the consideration of the following:

- The degree to which the conduct affected the Complainant's ability to access the District's education program or activity;
- The type, frequency, and duration of the conduct;
- The parties' ages, roles within the District's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

There is carnal knowledge if there is the slightest penetration of the genital or anal opening of the body of another person.

- **Domestic Violence.** Violence committed:
  - By a current or former spouse or intimate partner of the victim;

- By a person with whom the victim shares a child in common;
