May 11, 2018

**Memorial Stadium**

### Registration Rocks at Local High Schools

On April 5th, Bakersfield College sent leadership teams to 28 various local high schools to support the next class on incoming Freshman. Over the course of the day, it is estimated that roughly 3,300 fully matriculated high school seniors were invited to register in just one day.

It was not without the collaboration and support from everyone involved including A&R, Counseling, Cal-SOAP, and our partners at the KCCD IT Department.

Stockdale High School

Bakersfield High School

Ridgeview High School

## Workforce and Digital Futures Recognize BC Programs

Several programs have been named as Strong Workforce Stars because they have outstanding post-college outcomes in employment, earning gains, and regional living wages, based on Strong Workforce Program data. Recognition is gained by programs that attain one or more of the following: (1) An increase in earnings by 50% or more, (2) Attainment of the regional living wage by 70% or more, (3) 90% or more are employed in a job similar to their field of study.

### BRONZE STARS (attained threshold outcomes on one metric)

- Automotive Technology: 113% increase in earnings
- Animal Science: 111% increase in earnings
- Plant Science: 90% increase in earnings
- Agriculture Business, Sales and Service: 90% increase in earnings
- Forestry: 101% increase in earnings
- Architecture and Architectural Tech: 245% increase in earnings
- Administration of Justice: 81% increase in earnings
- Corrections: 73% of students attained the regional living wage
- Fire Technology: 78% of students attained the regional living wage
- Culinary Arts: 163% increase in earnings
- Human Services: 404% increase in earnings

### SILVER STARS (attained threshold outcomes on two metrics)

- Vocational Nursing: 113% increase in earnings and 67% of students attained the regional living wage
- Electrician Apprenticeship: 59% increase in earnings and 83% of students attained the regional living wage
- Industrial Technology: Electronics: 76% of students attained the regional living wage and 100% of students are employed in a job similar to their field of study

### GOLD STARS (attained threshold outcomes on all metrics)

- Radiologic Technology: 329% increase in earnings, 100% of students attained the regional living wage and 100% of students are employed in a job similar to their field of study
- Registered Nursing: 226% increase in earnings, 87% of students attained the regional living wage and 97% of students are employed in a job similar to their field of study

## ASTEP Tours HBCU's

Last month, ten of BC's Umoja African-American Success Through Excellence and Persistence (ASTEP) students toured 5 HBCU's (Historically Black Colleges & Universities) in the Washington, DC, Maryland, and Virginia areas.

Students had to apply for the tour by January and were selected based on GPA, transfer pathway, and interest in attending one of the HBCU's.

The group visited the campuses of Norfolk State University, Virginia State University, Howard University, Morgan State University, and Bowie State University. The students were able to experience the excitement and atmosphere of being at these historical campuses and I look forward to their successful transfer to one of these colleges.

*"This trip has allowed me to dream much bigger than before. I have explored options that I did not know existed. I now have a great opportunity to go further in life because of this awesome HBCU tour experience" - Kim Evans (Umoja BC Student)*

## BC Drumline

BC's Drumline took home first place at the West Regional Championship for the third consecutive year in a row. They're now preparing to compete in the Percussion World Championships in Dayton, Ohio on April 19-21, 2018.
