The team - Bill Potter, Cindy Collier, Kenward Vaughn, and Zack Peters -- described the **responsibility each individual and department will share with Maintenance & Operations** to protect the health and safety of our students and staff.

Here is the table that captures the difference in the numbers from the last time I published a Renegade Roundup.

<b>World</b>	3,173,036	3,476,021	302,985	9.5%
