Interim CFO Announcement

February 14, 2022

KCCD Colleagues:

I am pleased to announce that Mike Giacomini has accepted the position of interim CFO of KCCD.

Mike has over 27 years of experience working in audit, finance and college operations; he has been putting his MBA and CPA to work to achieve operational performance with financial results necessary to facilitate success throughout the organization. He's been in education for 18 years as both a Vice President of Finance and College President in different college systems, with the last three and a half years with Bakersfield College.

Mike will work closely with Lisa Couch, Vice President of Finance and Administrative Services at Cerro Coso and Carlene Feichter, Director of Accounting Services to facilitate the districtwide work related to finance and budgeting.

Please drop Mike a note welcoming him to his new role.

That's all I have for now.
