## Supervisor's Report of Work Related Injury and Illness

This Injury and Illness Incident Report is one of the first forms you must fill out when a recordable work-related injury or illness has occurred. This form helps the school district and Cal/OSHA develop a picture of the extent and severity of work-related incidents.

Within 7 calendar days after you receive information that a recordable work-related injury or illness has occurred,

you must fill out this equivalent to the Cal/OSHA Form 301.

According to CCR Title 8 Section 14300.33 Cal/OSHA's recordkeeping rule, you must keep this form on file for 5 years following the year to which it pertains.
