

Cerro Coso Community College
Student Right-to-Know
2019 Cohort

In compliance with the federal Student Right-to-Know (SRTK) Act of 1990 (Public Law 101-542), it is the policy of Cerro Coso Community College (CC) to publish its student completion and transfer rates. These rates are based on a limited cohort (or group) of students which are tracked for a three-year period. The cohort is limited because it includes only students who entered CC in the fall term as first-time, full-time students seeking a degree, certificate or transfer. Students included in the 2019 SRTK Cohort were tracked from Fall 2019 through Spring 2022 to determine their academic outcomes during the time period.

A student is included in the **Completion Rate** if they attained a certificate or degree or became 'transfer prepared' within the three-year period. Transfer-prepared is defined as having completed 60 transferable units with a GPA of 2.0 or better.

A student is included in the **Transfer Rate** if, within the three-year tracking period, they transferred to another postsecondary institution prior to receiving a certificate or degree or becoming 'transfer-prepared'.

The table below compares CC's Completion and Transfer Rates to the statewide community college average.

2019 SRTK Cohort	Completion Rate	Transfer Rate
CC	29.1%	12.0%
Statewide	34.3%	8.6%

These rates do not represent the completion and transfer rates of the entire student population at Cerro Coso Community College nor do they account for student outcomes occurring after the three-year tracking period.
