Definition

The Associate Dean, Health Careers, reporting directly to the Dean, Nursing/Allied Health, is responsible for the coordination, administration, and operation of the Nursing (RN, VN), and Emergency Medical Technology (EMT-Basic) programs and the development of allied health programs to meet community needs. The Associate Dean will provide leadership and assume responsibility for evaluation of the Nursing, EMT-Basic, and continuing education curricula as required by various licensing and accrediting agencies.

Examples of Duties

1. Coordinate the administration and operation of the Registered Nursing, Vocational Nursing, and EMT-Basic programs, including courses and clinical facilities in order to maximize the learning opportunities for students.

2. Provide technical program information and assistance to faculty, administrators, staff, clinical agencies, and health facilities to promote the nursing, and other allied health programs.

3. Be responsible for the development, evaluation, and revision of the curricula of the nursing and EMT programs for compliance with licensing, accrediting, agencies, and College policies and procedures.

4. Assist in the promotion and marketing of the College image and articulation of the programs in the College service area. Maintain close liaison and harmonious relationships with area hospitals, related health care facilities, other Kern CCD nursing/allied health programs and educational and public agencies to foster strong working relationships.

5. Prepare and review state and national reports required by accrediting and governmental agencies, including but not limited to the Board of Registered Nursing, the Board of Vocational Nursing and Psychiatric Technicians, Department of Health Services, and the EMT approval authority to maintain and enhance the standards of the programs.
Examples of Duties (continued)

6. Evaluate the files of students entering the nursing and EMT-Basic programs, including advising and notifying students of entrance status to the programs.

7. Develop and administer the annual budget, maintain cost control of the budget and seek additional funding sources.

8. Disseminate research findings on health education issues to the faculty and staff and other agencies as appropriate.

9. Represent the College in local and state meetings related to nursing and EMT programs, standards, and accreditation.

10. Be responsible for the development and revision of allied health programs in order to meet community and student needs.

11. Prepare and administer grants, as appropriate.

12. Perform other related duties as assigned by the Dean, Nursing/Allied Health.
