Definition

The Director, Health and Wellness Center, reporting to the Dean of Nursing/Allied Health, plans, develops, organizes, coordinates, implements, administers, directs and evaluates the programs, operations, activities and staff of the Student Health and Wellness Center to ensure appropriate and adequate levels of a variety of healthcare services for students, or emergency care of employees and visitors in compliance with the laws, policies, procedures and guidelines as established by the college, district, and various licensing/accrediting agencies.

Examples of Duties

1. Directs and oversees clinical practice according to Health Services and College policies and procedures, and provides for the quality of care provided in the student health services program.

2. Performs a variety of professional nursing activities including the screening, assessment and treatment of ill or injured students as described by the Nursing Practice Act and Standards of Practice for Nurse Practitioners; monitor and assure nursing care complies with established health standards; screen and evaluate medical conditions; examine students and identify illnesses, injuries and medical emergencies; provide treatment and administer first aid and emergency medical care as necessary; coordinate response to emergency situations; document all evaluations; maintains patient confidentiality.

3. Trains, supervises, and evaluates assigned clinical, academic and classified employees which include coordinating the services of independent health care professionals.

4. Maintains a secure, accessible system of confidential medical records in accordance with applicable standards of practice and state and Federal laws.

5. Initiates and updates as necessary appropriate contractual agreements necessary for the operation of Student Health Services.

6. Ensures required current licensure for professional staff and services.
Example of Duties (continued)

7. Conducts periodic needs assessment and participates with members of the college community in planning Student Health Services programs to respond to identified needs; designs and implements new need-based programs, and monitors existing programs for applicability, safety and effectiveness.

8. Ensures an appropriate inventory of medical supplies, equipment, and medications, including appropriate procurement, storage, security, and maintenance of inventory.

9. Establishes, reviews, and appropriately revises administrative, clinical and operational policies, procedures and protocols for Student Health Services.

10. Directs the preparation and management of the Student Health Services budget consistent with College goals, policies and department mission.

11. Serves as liaison with the community, health care professionals and agencies for the purposes of offering services, making effective referrals and coordinating health care resources.

12. Serves as a resource for the college community on issues of health promotion, disease prevention, safety and health advocacy.

13. Coordinates with other campus departments in meeting the health needs of the campus community, including such services as mandated immunizations, health status and disability assessment.

15. Plan, develop, and implement innovative programs in order to provide a rich and supportive student-learning environment.

16. Assist in grant and resource development, management, and reporting processes.

17. Recommend and implement program policies and procedures in compliance with college/district policies and procedures, state/national accrediting/approving agencies and local healthcare facilities rules and regulations; interpret department policies and objectives to other college departments.

18. Provide assigned personnel direct work supervision and performance evaluation in accordance with Board Policy or Collective Bargaining Agreement.
Example of Duties (continued)

19. Represent the college at public functions and/or in the community. Assist in the promotion and marketing of the College image. Maintain close liaison and harmonious relationships with area hospitals, related health care facilities, and educational and public agencies to foster strong working relationships.

20. Perform other related duties as assigned.
